

PORTABLE | V400M

All-in-one connectivity enables absolute portability.

V400m

The stylish and compact Verifone V400m supports loyalty, offers, and other revenue-generating opportunities. Multiple connectivity options offer maximum portability and flexibility for merchants on the go and in-store, while the crisp 3.5-inch color touch display, intuitive user interface, more memory, and faster processing speed make the V400m perfect for pay-at-the-table, curbside delivery, kiosks, and line busting.

- Full color capacitive touchscreen to engage your customers and promote your brand
- Flexible connectivity: 4G LTE, dual-band WiFi, and Bluetooth®
- USB connector for camera, barcode scanner, biometric readers
- Maximum security and compliance with end-to-end encryption
- Accepts all payment types: NFC/CTLS, mobile wallets, EMV, magstripe, and APMs
- Utilizes the power of Verifone Cloud Services for customization, estate management, diagnostics and more.
